DynaMed

Tutorial

support.ebsco.com

Benvenuti al tutorial dedicato alle ricerche semplici su *DynaMed*, nel quale saranno messe in evidenza le principali funzionalità del servizio, quali la ricerca semplice, il browsing per categorie, contenuti aggiornati recentemente, e potrete ottenere crediti Continuing Medical Education per le vostre ricerche. In ogni occasione, potrete tornare alla homepage *DynaMed* cliccando su **Home** in alto sullo schermo.

Condurremo una ricerca per "coronary artery disease." inserendo "coronary" nel campo **Find** e cliccando su **Search**. Si può anche decidere di sfogliare *DynaMed* alfabeticamente cliccando una delle lettere sotto il campo **Find**.

DynaMed comprende oltre 1.000 argomenti dedicati a medicinali. Come esempio, ricercheremo Omeprazole nel campo **Find** cliccando **Search**. Dalla lista dei risultati, si andrà a **Omeprazole** per accedere alla descrizione su DynaMed. Come in precedenza, si può andare con il mouse sopra Omeprazole per vedere nella colonna di destra le sezioni relative a questo medicinale.

Per espandere ciascuna delle sezioni relative ad un medicinale, cliccare sul titolo di una sezione. Le sezioni possono essere aperte o chiuse contemporaneamente cliccando sui link **Expand All** o **Collapse All** in cima ad ogni lista dei risultati. Se un avvertimento è presente per un eventuale medicinale, questo apparirà automaticamente per esteso aprendo l'argomento.
