<p>JSTOR resources during COVID-19 See also: Free access to new public Health journals on JSTOR (through June 30, 2020)</p>	<p>Source: JSTOR. JSTOR and participating publishers are making an expanded set of content freely available through June 30, 2020 to our participating institutions where students have been displaced due to COVID-19</p>	<p>General + public health</p>
<p>The Lancet coronavirus hub</p>	<p>Content from across The Lancet journals as it is published. All COVID-19 content is free to access.</p>	<p>General</p>
<p>Library of Congress: Open Access Ebook Collection</p>	<p>Access 560 online open access electronic books in the collection. Added 4/10/2020</p>	<p>Book</p>
<p>Mary Ann Liebert, Inc.: Coronavirus Highlights Urgent Need for Science-Backed Research</p>	<p>Research papers from multiple Mary Ann Liebert journals on coronaviruses and using telemedicine to care for affected patients. Includes articles about previous coronavirus epidemics, i. e. SARS and MERS. Submitted by Jean Jenkins, Our Lady of Lourdes Memorial Hospital Library. Added 3/24/3030</p>	<p>General + public health</p>
<p>McGraw-Hill Education/AccessMedicine distance learning libguide</p>	<p>Shared by Lori Fitterling, Kansas City University of Medicine & Biosciences. Includes content maps available online which may be helpful for clerkship/rotation students</p>	<p>Education</p>
<p>Free Resources on MUSE During COVID-19 (list of publishers included)</p>	<p>Source: Project MUSE. Supporting participating publishers in making scholarly content temporarily available for free. Added 4/10/2020</p>	<p>Includes social sciences</p>
<p>COVID-19 SARS-CoV-2 preprints from medRxiv and bioRxiv</p>	<p>Caution: Preprints are preliminary reports of work that have not been certified by peer review. They should not be relied on to guide clinical practice or health-related behavior. Added 3/24/2020</p>	<p>Preprints, research and other</p>
<p>New England Journal of Medicine</p>	<p>A collection of articles and other resources on the Coronavirus (Covid-19) outbreak, including clinical reports, management guidelines, and commentary.</p>	<p>General</p>
<p>ONS Information Regarding the Coronavirus (COVID-19)</p>	<p>Source: Oncology Nursing Society. Includes information about PPE and safety, resources for patient care and support, nursing and professional practice information. Submitted by Angela Spencer, Saint Louis University. Added 3/23/3030</p>	<p>Nursing, Oncology, PPE</p>
<p>Oxford University Press COVID-19 Resources</p>	<p>Some research and learning resources and articles freely accessible for an extended period.</p> <p>See also: Free access to the Saint-Chopra Guide to Inpatient Medicine by Vineet Chopra and Sanjay Saint. Textbook on hospital/inpatient medicine - currently free access worldwide - useful for specialists/ambulatory clinicians transitioning to hospital/inpatient service. Submitted by Marisa Conte, Taubman HSL, University of Michigan, Added 4/6/2020</p>	<p>Education, Research, Online Learning</p>

Riviste, editori, siti di Società Scientifiche

<p><u>SIAM Epidemiology Collection</u></p>	<p>Source: Society for Industrial and Applied Mathematics. Free content on epidemiology, disease modeling, pandemics and vaccines. Added 4/3/2020</p>	<p>Research</p>
<p>Taylor & Francis COVID-19: Novel Coronavirus Content Free to Access</p>	<p>Provides links and references to all relevant COVID-19 research articles, book chapters and information that can be freely accessed on Taylor & Francis Online and Taylor & Francis ebooks in support of the global efforts in diagnosis, treatment, prevention and further research into COVID-19. Added 3/24/3030</p>	<p>Journal + Book</p>
<p><u>Sage Journals Coronavirus (COVID-19) Research</u></p>	<p>Collection includes the latest medical research from SAGE related to the virus as well as top social and behavioral research to help individuals, communities, and leaders make the best decisions on dealing with the outbreak and its consequences. Submitted by Amy Stone, ECRI. Added 3/24/3030</p>	<p>Research</p>
<p><u>Resources for Hospitalists: COVID-19</u></p>	<p>Source: Society of Hospital Medicine. Library of COVID-19 blogs, articles, publications, videos, and webinars from hospitalists and thought leaders in the space. Submitted by Angela Spencer, Saint Louis University. Added 3/26/2020</p>	<p>Education, Research, Online Learning</p>
<p><u>Springer Nature SARS-CoV-2 and COVID-19</u></p>	<p>SARS-CoV-2 and COVID-19 related research articles from Springer Nature journals, as well as additional commentary and relevant books. All content listed is free to access.</p>	<p>Journal + Book</p>
<p><u>NEW University of Michigan Press Ebooks</u></p>	<p>To support remote teaching and research during the COVID-19 global health event, titles in this collection are free-to-read until June 30, 2020.</p>	<p>Education, Research, Online Learning</p>
<p><u>Wolters Kluwer Ovid Portal for COVID-19</u></p>	<p>Submitted by Michelle M. Volesko Brewer, Wolters Kluwer. Articles published in Ovid MEDLINE or Journals@Ovid, Search strategies for OVID, Tools and resources for clinicians.</p>	<p>General + Education, Research, Online Learning</p>

Data, Research, Article Collections, Systematic Reviews	Description
<p>Coronavirus in the U.S.: Latest Map and Case Count. Updated frequently. Data available on GitHub. Registration may be required.</p>	<p>Source: New York Times. County and State COVID-19 data. Shared by Daureen Nesdill, University of Utah and members of the MLA Data Caucus. Added 3/31/2020</p>
<p>NEW COVID-19 Projections via healthdata.org</p>	<p>Source: Institute for Health Metrics and Evaluation (IHME), University of Washington. Shared by Elizabeth Whipple, Indiana University School of Medicine. Added 4/17/2020</p>
<p>NEW COVID-19 Portfolio</p>	<p>Source: National Institutes of Health (NIH) Office of Portfolio Analysis. Article database on COVID-19 related topics from PubMed, and pre-prints arXiv, medRxiv, bioRxiv, and ChemRxiv. Shared by Kimberly Powell, Emory University. Added 4/17/2020</p>
<p>NEW COVID-19 publicly available state by state testing data, COVID-19 Racial Data Tracker</p>	<p>Source: COVID-19 Tracking Project. Shared by Peace Ossom-Williamson, University of Texas at Arlington. Added 4/17/2020</p>
<p>NEW COVID-19 Curated Data, Modeling, and Policy Resources</p>	<p>Source: Mathematica.org. Shared by Jen de Richemond</p>
<p>COVID-19: a living systematic map of the evidence</p>	<p>Map of the current evidence partitioned into broad domains for easy exploration. Lorenc T, Khouja C, Raine G, Sutcliffe K, Wright K, Sowden A, Thomas J (2020) COVID-19: living map of the evidence. London: EPPI-Centre, Social Science Research Unit, UCL Institute of Education, University College London. Shared by Claire Stansfield, EPPI-Centre, University College London. Added 3/20/2020</p>
<p>Find evidence on interventions for COVID-19</p>	<p>Source: COVID-evidence. Provides information about worldwide planned, ongoing, and completed trials on any intervention to treat or prevent SARS-CoV-2-infections. Downloadable database. Shared by Christian Appenzeller-Herzog, PhD, University of Basel Medical Library. Added 4/10/2020</p>
<p>Coronavirus (COVID-19): Evidence Collection from EvidenceAid (UK)</p>	<p>Summaries of relevant research about the COVID-19 (coronavirus) pandemic available as soon as each is ready. Research categories are clinical characterization and management; health systems and services; and infection prevention and control, including health care workers' protection.</p>
